

JOB NOTICE

Part-Time Counselor/Therapist

The Albany Park Community Center, an Equal Employment Opportunity Employer, is seeking a part-time Counselor for its School-Based Counseling program on the north side of Chicago.

Counselor/Therapist

Counselor/Therapist will provide therapeutic services to students with complex needs in local high schools on the north side of Chicago. These services include individual, group and family counseling.

Work Schedule: Part-time 14 to 16 hours a week

Examples of Duties and Responsibilities:

- Functions as a therapist for at students in community schools.
- Maintains a high profile in the schools. Works in conjunction with teachers and staff to develop plans to aid specific students. Utilizes a team approach to address student's problems.
- Leads therapy groups or psycho/educational groups.
- Refers youth and families to community resources when appropriate.
- Provides education on parenting skills to parents with identified problems.
- Maintains case records and other documentation as required by funders or other appropriate criteria.

Requirements

- Clinical experience with youth.
- Master's degree in social work, counseling, or related field and have professional licensure or be eligible for obtaining professional licensure once supervision requirements are met.
- Fluent in Spanish preferred not required.

Please send a cover letter and resume to Kathy Maher, Director of Counseling at kmaher@apcc-chgo.org.
